

Try It! We hope you like it!

As we now gather together on Sunday to worship in a new and different way, the Finance Ministry would like to remind you of a new and different way of giving! Tithe.ly

We're excited to share that we have launched online giving at our church through Tithe.ly, a safe and secure giving platform. Tithe.ly currently serves over 20,000 churches and ministries including other ELCA churches all over the country. Tithely is a preferred vendor of the ELCA! Even other Vermilion churches use Tithely!

After launching the program, a month or so ago, several members have tried it and liked it! Our new online giving program is probably one of the best and most forward-thinking programs in recent history. It is very user friendly, allows donations to be directed and is very secure.

A few of the features of our online giving program are:

- * recurring donation capability
- * email confirmation
- * paying from your computer or from your phone
- * giving reminders

All sensitive financial information is encrypted and stored with the highest bank level security.

To view, go to the church website, trinityvermilion.org and click on the "Give" button in the upper right-hand corner of the website. By clicking the arrow, you can choose between various funds – General Fund, Building Fund, Flower Fund, Memorial Fund, ELCA World Hunger and Lutheran Disaster Response! There's even a place for a note to our Financial Secretary. To give, complete the giving form with amount, giving by card or through your bank, enter the appropriate account/card number(s) name and email (for your confirmation). If you want to make your donation recurring, complete the frequency (use the drop down menu for your selection choices). Easy as 1, 2, 3!

Please note: You do NOT have to open an account with Tithe.ly to donate! Just follow the steps outlined above.

Tithe.ly offers many additional programs that we may explore in the future. For now, we wanted to give members and friends an additional way to fulfill support to the church. The church continues to provide worship service, Sunday school lessons and outreach programs during this time of uncertainty. Thank you for your generosity! We are continuing to make a difference in the community and in the spiritual health of our church.
